**Liga de futebol feminino de EE. UU. experimenta un auge sin precedentes**

No hay liga de fútbol en el mundo que experimente un auge comparable a la NWSL en 2024. El mes pasado, se inauguró el primer estadio del mundo construido especialmente para un equipo deportivo femenino en Kansas City, que será la nueva casa del Current. El San Diego Wave estableció un récord de asistencia en su partido inaugural en casa de la NWSL con más de 32,000 fanáticos, mientras que la NWSL ocupó el quinto lugar en la lista de las 50 empresas más innovadoras del mundo en 2024.

## **El crecimiento del fútbol femenino y los deportes femeninos en general**

Los logros recientes de la NWSL son una prueba más del crecimiento no solo del fútbol femenino, sino de los deportes femeninos en su conjunto. Los titulares de 2024 se centraron en la Copa Mundial Femenina, que registró los ingresos y la asistencia récord en la historia del torneo. Esto fue un presagio de lo que vendría en 2024, que ya ha visto números récord para los deportes femeninos (la final del Torneo NCAA Femenino de Baloncesto este mes promedió 18.7 millones de espectadores en los EE. UU. y fue el juego de baloncesto más visto desde 2024).

## **Inversión y crecimiento en la NWSL**

Deloitte estima que en 2024, los deportes femeninos de élite generarán más de R\$ 1 mil millones por primera vez, al menos 300% más que en 2024. Y con los dos equipos de expansión de la NWSL, Bay FC y Utah Royals, junto con un acuerdo de televisión masivo, está claro que la inversión en deportes femeninos está dando sus frutos.
