Las

Vegas is filled with iconic casinos and resorts familiar to millions from movies, TV shows, and sporting events. Still, at the heart of those casinos is gambling, and here are the best places to play Roulette in Vegas on the Strip:

MGM Grand

prominent casino resort in the United States, MGM Grand is a perfect place for Vegas roulette, and the maze on the game floor is genuinely something to behold. At MGM Grand, you will find 2,500 casino machines and 300 table games for the ultimate live dealer roulette experience. For example, game machines change in real-time based on user and popularity data. You can find French roulette for 15 per bet. You can also find an American roulette variant at \$5 per spin.

Best Vegas 3 Roulette Table Limits

Every Vegas casino has

a minimum and maximum bet they allow to be wagered on a single roulette 3 wheel spin, which also varies depending on whether it's an outside bet or an inside number bet.

Typically, the smaller, independent 3 casinos have maximum bet amounts that they won't go over or it becomes risky for them. The larger casinos are 3 more flexible.

Rather than setting hard roulette table limits they have an upper range that high-rollers can benefit from. They 3 also may offer several roulette tables with varying limits to cater for all players.

It's also possible for roulette tables to 3 set

different Min-Max limits depending on the day of the week, the time of day, or season.

Since max roulette betting 3 limits are ever-changing, it's hard to definitely say which casino has the highest roulette table limits.

Generally, the largest bet you

3 can make is no more than 1,000 times the smallest bet allowed. This would mean that a roulette table that 3 requires 2,000 as a limit, and one with a 10,000 maximum bet size limit. There are some famous exceptions, such 3 as the 50K max roulette bet at Caesar's Palace high roller sections.

How to Play

Roulette

Before 3 you fly out to the glitz and glamour of the world-famous Vegas Strip, understanding the basics of roulette is essential. 3 Whether you play online roulette or roulette in Las Vegas, our advice is to learn how to play the game 3 first.

At the core

of the roulette experience is a wheel and a ball. Players wager on the outcome when the 3 dealer drops the metal ball into that famous spinning wheel.

When the ball lands in a

pocket, the result will decide 3 if you have won. There are many bet patterns available in roulette, some more famous (red/black) than others. As you 3 might expect, the

best-paying wagers are the ones with the longest odds. Roulette rules say the player must place a bet before or during a wheel spin, but not once the ball has rested. This is the same for Vegas roulette and online roulette.

One of the most important aspects

of learning about roulette is understanding the house edge. With the European version, you will see a single zero pocket on the wheel, which means the house edge is 2.7%. American roulette has a zero pocket, and a double-zero pocket, stretching the house edge to 5.26%.

American roulette is the most common version in Las Vegas, but you can find European wheels too. You will also see French roulette wheels in some casino resorts. This variant adds the "La Partage" rule, which means half a bet is returned on an even-money wager if the loss happens by the ball landing on zero. You will need to pay a higher minimum bet to play French roulette tables in Las Vegas.

Roulette is a game decided entirely by random chance. But does that mean there is nothing you can do to maximise your chances? The good news is, while you can do nothing to influence where the ball will drop, you can engage in that help you protect your investment. However, it is worth remembering that even by employing betting patterns, the outcome of a roulette game is left up to the casino gods.
