To start playing, you'll need to place your bets by clicking on the roulette board. Some of the more popular bets are:

selected Odd/Even : Choose whether the number will be odd or even

number will be odd or even Red/Black : Choose whether the number will be red or black

Once you have made your bets (you can make more than one bet per turn when playing all forms of online roulette), it's time to spin the wheel. You can then sit back and wait to see if one or more of your bets have been winners. If they have, the money will be paid to you automatically.

We understand that new roulette players might

not want to play for real money, which is why we offer the chance to play mobile roulette games for free. Don't play roulette mobile free games for too long though, as you're missing out on the chance to win some huge sums of money!
